Dear Owner,

Please complete the "Landlord Authorization" form on the reverse side, indicating whether you would prefer to have electric service to your rental property or properties left on and placed in your name between tenants or, instead, to have service terminated between tenants.

Please return the completed form to Hingham Municipal Light Plant, 222 Central St Hingham, MA 02043-2745.

Once the form is received and processed, Hingham Municipal Light Plant will continue to abide by its terms until otherwise advised in writing.

If we have no form on file for you, and no application for new service is received, we will terminate service until a new application is received.

If you have any questions, please do not hesitate to contact the Customer Service Department at 781-749-0134.

Sincerely,

Customer Service Department
