PROMISE TO PAY

The above hereby applies for electric service and agrees to pay promptly all bills rendered for electric service furnished hereunder until at least three days notice is given to the Light Plant to discontinue such service, and further agrees to be bound by the Light Plant's terms and conditions so called, as they exist from time to time.

It is agreed that the Light Plant shall have the right to discontinue service hereunder, per DPU regulation 220 CMR if the customer shall fail to pay promptly all bills as rendered for any service, labor or material furnished by this Light Plant to the Customer.

I have fully read all the provisions printed on the face hereof and agree to be bound by them as part of my contract with the Light Plant.
