MUNICIPAL LIGHT BOARD
April 28, 2026
6:00 PM

Hingham High School Room 135

Minutes

In attendance: board members Laura Burns and Michael Reive

The meeting was called to order at 6:05 PM.

Town Meeting Article 28: HMLP Infrastructure project

The board discussed the chair's proposal to withdraw the article for the bonding of the new transmission line project. The Advisory Committee, at their meeting the previous evening, had suggested that more information was needed for voters. Based on the Advisory Committee's advice, there was consensus that it made sense to withdraw the article and bring it back to Town Meeting in the fall at the expected Special Town Meeting, when more information will be available.

On a motion by Michael Reive, seconded by Laura Burns, the board voted unanimously to request that the Select Board withdraw Article 28 from the 2026 Annual Town Meeting Warrant.

The meeting was adjourned at 6:45 PM.
